

## Foxes Class : Road Trip USA!

We will launch our theme with a trip through 14 states, collecting tickets which will enable us to plot the states on a digital map. Following this:

In **English** we will be taking a road trip across the USA. We will write postcards, emails and diary entries all about our travels. We will then explore Native American myths and then write our very own.

In **Maths** the children will continue with their work on perimeter. After this we will move on to our fraction and decimal work. Following this we will move on to money and more measurements.

**Learning across the curriculum-** to include:

**Computing:** we will learn to send emails, use spread sheets and use digital presentations to share our work.

**Art and Design:** we will research and make our own native American dream catchers, we will do some weaving and then finish our road trip by making journey sticks.

**Science:** In science we will be looking at electricity, and how circuits work.

**DT:** We will design and make Totem poles and prepare and make some US food dishes.

**History:** In this half term we will explore the way of life led by Native Americans.

**Geography:** we will use maps and globes to track our road trip and to identify states along the way.

**PE:** Hockey

**PSHE:** Healthy me. Looking at how to keep ourselves healthy.
