

APPLE TREE CLASS: FOUNDATION STAGE 1 AND 2

SPRING TERM 2.1

JANUARY

2021

Dear Parents and Children,

Welcome back and may I wish you all the very best for a happy 2021. I trust that you all had a wonderful festive holiday and are looking forward, as we are, to the New Year and new term ahead.

This term we welcome Marnie, Emilie and Matilda and look forward to getting to know them.

Please see our curriculum map for details of this term's theme.

Remote Learning

Please check the calendar and timetables on FS Hub for information about activities and live lessons. A reminder that should you have any questions about our remote learning, please do contact me via Seesaw. If you have any technical difficulties, please call the school office.

Uniform

When we come back to school, please ensure that your child is appropriately dressed for the weather including warm clothing that will allow them to continue to play outside. Wet weather clothing should be kept in school throughout the week please. All items of clothing should be named in order to assist us in helping your child to wear clothes belonging to them. As snow boots and wellies may need to be worn to school, please remember to provide your child with an 'indoor' pair of shoes, pumps or hard soled slippers that can be kept in school.

Children will require spare clothing in a named bag that can stay in school throughout the term- children will get wet and messy. I recommend extra underwear as accidents do happen.

Reading and Phonics FS2

Please collect new reading books and phoneme cards to use during remote learning from the school office.

Forest School

Our forest school program will resume once we are back in school and the children have settled into their routine. Dates will come home when school re-opens.

Best regards,
Hazel Redman
Early Years Leader
