

Cherry Tree Class Homework- Spring 1 2021- Towers, Tunnels and Turrets.

Please complete one item per week, in addition to your regular reading at home. You can complete as many of the activities as you would like, but you may only repeat an activity once. Have fun! We share our homework on Wednesdays.

<p>Research the British royal family today. Create a family tree to show who is who. Explain who is next in line to the throne.</p>		<p>Go on a bridge hunt with your grownups around the local area, taking photographs to show your class. What types of bridge did you see? Choose the most interesting bridge and see what you can discover about it online or at the local library?</p>	<p>Make a detailed diagram of a castle, labelling interesting features which might be found inside, or out. Perhaps you could find out about murder holes, garderobes or loopholes?</p>
	<p>Play a tumbling tower game such as Jenga, with your family. What are the best ways of keeping the tower upright? See if you can take some action shots or videos of the tower falling!</p>	<p>Design and create a model of a famous structure from around the world, using junk materials found at home. Will you choose London Bridge, the Leaning Tower of Pisa or perhaps the Statue of Liberty? Find a photograph of your chosen landmark to use as inspiration. Find, on a world map or globe, all the famous landmarks you would like to visit.</p>	
<p>Create your own family tree to show who is who. Add photos or drawings to illustrate it.</p>	<p>Make an information book about castles, bridges or tunnels. Include downloaded images, as well as drawings and diagrams. What fascinating facts can you find out to amaze your family, friends and teacher?</p>		<p>Research what happens during a royal coronation. Design a crown and orb fit for a king or queen's coronation. Identify what shapes and jewels you have used on your crown.</p>
