

## Rhein Class Homework- Spring Term One 2023

### Coastline

*You may complete one item per week, in addition to your daily reading and regular use of Doodle and Numbots apps.*

<p>The coastline is where land meets an ocean or sea. Print out a blank map of the United Kingdom, then complete the tasks listed.</p> <ul style="list-style-type: none"><li>• Colour and label the countries of the United Kingdom on the map.</li><li>• Draw around or highlight the United Kingdom's coastline on the map.</li><li>• Label the seas and the ocean that meet the United Kingdom's coastline.</li><li>• Label the names of a few coastal places on the map.</li></ul>	<p>Coastlines have many physical and human features. Write sentences to describe physical and human features, with examples. Then, complete a table with the following headings: picture and name of coastal feature, type of feature (human or physical) and description.</p>	<p>Visit the website BBC Bitesize – Coastlines – erosion and watch the video to learn about the physical process of erosion, which changes the coastline over time. Create an information poster to show what you have learned about erosion and how it changes the coastline. Include a title, facts and one or more pictures with captions.</p>	<p>Visit the website National Trust – Best coastal walks and paths in the UK and watch the video featuring Lizzie Daly. Write a description of the features on her coastal walk.</p>
<p>Write a list of things that children and adults should do to stay safe at the coast. Examples include, taking notice of warning signs, and children being with an adult when near water. Once complete, use your list and what you have learned to design a poster to help people stay safe when visiting the coast. Include a title, bright colours, pictures and important information.</p>	<p>The Royal National Lifeboat Institution, also called the RNLI, is a volunteer-run charity that carries out sea rescues and save lives. Find out about the types of boats that the RNLI use, where their stations are located, what happens at the stations, and what their volunteers do.</p> <p>Write interesting facts and draw pictures with captions to record your findings.</p>		<p>A map is a picture of a place, usually drawn from above. Symbols are used on maps to show landmarks, places, and features. The key explains what these symbols mean. Use the OS Maps website to find places on the coast. Choose one coastal location and draw a simple map of the place with a key, using the online map to help. Include some physical and human features on your map.</p>

**We will share homework each Wednesday**
